Regarding the Development of the Historic Fort Valley High School

**Location: Meet at the Parking Area of the
Peach County Board of Education at 523 Vineville Street, Fort Valley**
(Just across from the Family Dollar Store).

The Fort Valley Downtown Development Authority Office is currently working with a developer to renovate the Historic Fort Valley High School into an affordable senior community. **Please join us Saturday, May 13th, 2017 at 11:00A.M. at the Board of Education Parking Lot** for a tour of some portions of the school property and discussion of how redeveloping this historic building can help revitalize the surrounding Fort Valley community.

The purpose of the meeting is to seek input from the local community to develop strategies for the coordination and provision of local services and resources to those most in need in a defined neighborhood around the Historic Fort Valley High School. **After the tour, there will be a cookout.** Come help us understand the impact this project will have on the community and enjoy lunch.
